CHILI COOKOFF

September 18, 2010

4pm until sunrise Sunday!

2412 Tunnel Mill Road,
Charlestown, IN 47111

This is about 25 minutes from Louisville

Bring your favorite prepared chili, in a crock pot, to be sampled by all. To add to the fun, we are asking that everyone bring a copy of their Chili recipe to share with all. We will have index cards and pens available so you can go home with new, wonderful chili recipes! We also ask that on your recipe card, you suggest a beer style to compliment your chili. You can also bring an appetizer, side dish or dessert to compliment your chili. For you non-chili lovers, there will be grills available for your use. Don't forget to bring a raffle item(s) and money for raffle tickets. Also, everyone bring a lawn chair.

Empty beer cups are not welcome at this event. Brewers are encouraged to bring kegs/bottles. Non-brewers bring commercial beer. Upon arrival, you will receive 2 tokens to be used to vote on your favorite chili and favorite homebrewed beer. Bring your sleeping bags, tents, campers, etc. and plan on staying overnight.

This is an Adult (over 21) event, so if you bring your kids, bring duct tape, otherwise, they'll be fed to the dogs!
