

Over the weekend Liquor Barn Springhurst has added several new drafts to "Growler Heaven":

BBC Homewrecker (10% abv, \$14.99 a Growler) is a huge Imperial IPA brewed at the BBC in St. Matthews. A semi-sweet malt backbone helps support the citrus and piney hop flavor.

Brooklyn Black Chocolate Stout (10% abv, \$8.99 a Growler) is a rich and smooth Imperial Stout with flavors of roasted coffee and chocolate. This is one of my favorite Imperial Stouts out there. We also have this beer in 4pks. Try it now or set a few back to enjoy in years to come.

Schlafly Dry-Hopped APA (5.9% abv, \$7.99 a Growler) is a tasty American Pale Ale that is dry-hopped giving it a beautiful floral hop aroma and flavor.

Flying Dog Gonzo Imperial Porter (9.2% abv, \$12.99 a Growler) is back up on the wall. Named after Louisville's own Hunter S. Thompson, this Porter is rich in flavor and dry-hopped with boat loads of Cascade hops giving it a bitter finish.

We quickly ran through our first keg of **BBC Hell for Certain**, but due to popular demand I will be putting this back on tap this week. Also, this week most of the Liquor Barn stores will be receiving **Sierra Nevada's Celebration Ale!** This is by far one of my favorite India Pale Ales available. This amazing seasonal from Sierra Nevada will also be making it's way to our draft wall this week.

With the seasons finally changing our seasonal beer selection will be changing too. Here are a few items rolling out this week:

Laughing Dog Dogfather Imperial Stout
Bell's Winter White
Dogfish Head Chicory Stout
Dogfish Head Old School Barleywine
Breckenridge Christmas
Harpoon Winter Warmer
Sierra Nevada Harvest
Sierra Nevada Estate

I will also be bringing some of the following Belgian beers to several of the Liquor Barn stores:

Adriaen Brouwer (Belgian Double)
Troubadour Obscura (Belgian Stout)
Troubadour Magma (Belgian Triple IPA which is amazing!)
Bieken (Belgian beer brewed with Honey)

With one of my favorite holidays coming up this weekend, we are going to feature five beers that might make your Halloween more enjoyable.

Wychwood Hobgoblin
Rogue Dead Guy
Brooklyn Black Chocolate Stout
New Holland Poet
Bell's Hell Hath No Fury

These beers will be featured at every Liquor Barn location on Thursday and Friday 5-7pm, Saturday 3-6pm.
